MEMORANDUM FOR THE DIRECTOR

1. General Wheeler has called with reference to your proposed initial meeting with the Joint Chiefs of Staff which he had previously scheduled for 2:00 p.m., on Friday, 7 August.
2. In confirming this to you, General Wheeler had completely forgotten that Air Marshal Slemon was coming in on that date for his retirement lunch with the Joint Chiefs of Staff and a subsequent meeting with them. This has been laid on for some time since Slemon retires the following week.
3. General Wheeler asks on behalf of the JCS that you change the date of your first meeting with them to 2:00 p.m., Friday, 14 August.
4. I confirmed to General Wheeler that pending some complication of which I was unaware, this would be entirely agreeable.
